days brooding over the Miller Transit Plan "fizzled so dismally, and was so utterly ineffectual as a screen to obscure his real status as the Increased Farre Candidate, that he shifted his line of attack to schools."

Mr. Hylan's first speech was in Hettinger's Hall in Long island City, and his others were in the Newtown High School, the Flushing High School and the Jamaica Training School. In each place he spoke before a large crowd and was well received.

"I will not permit Mr. Curran to dodge the traction issue," Mr. Hylan declared, "but his desire to enter upon educational matters will be accommodated. His shifting of subjects shows his transparent craftiness, but he overreaches himself. This is so because the chief financial backers behind the Miller commission higher fare plan, which candidate Curran espouses, are the same interests which have been frustrated by me in their attempt to mould for their own base purpose the educational system in the city schools.

Blames Tammany for Crooks Swarming Like Locusts.

John Kirkland Clark continued his attacks on the Tammanyized District Attorney's office last night.

"Not only has the District Attorney's office under Tammany control fallen hopelessly behind in the proceedution of the criminals who have swarmed like a plague of locusts over the city," said Mr. Clark, who is the coalition candidate to succeed District Attorney Swann, "but in outstanding cases like the Brindell, Hettrick and the building ring conspiracy, where the vital interests of the proceed to them again when more fully developed. In voting authority to the committee to take the plan to the proceed of the piscent of the piscent of the County of the criminals who were suffering from the acuta shortage of housing accommodations were involved, the office fell down so miserably that the Governor was compelled to step in and assume the duty of procecutor."

Charles S. Whitman, who went to the Governor's chair from the District Attorney's office, paid high tribute to Mr. Clark last night. He stid:

HYLAN FAILS TO REPLY TO CURRAN CHALLENGE

Women Taking Interest in Debating the Issues.

No word had been received from Mayor Hylan at a late hour last hight that he would debate the issues of the campaign with Henry H. Curran, his opponent for the Mayoralty. Mrs. Winter Russell, head of the women's committee of the Democratic campaign, has been sending broadcast challenges to debate to the Republican candidates for several days. It is understood she stands ready to name Comptroller Charles L. Craig as her representative. But Miss Mary Wood of the coalition committee accepted the challenge on behalf of Mr. Curran with the stipulation that Mayor Hylan should represent his own cause on the platform.

Miss Wood named 3 P. M. cn Thursday as the time and the Town Hall as the place.

the place.

If Mayor Hylan does not accept the challenbe it is likely that Mrs. Russel, will stop sending out her challenges.

John H. Delaney, Hylan's manager, was asked yesterday why the Mayor refused to debate the issues of the campaign with his opponent.

"Mr. Curran won't be so anxious to debate with Mr. Hylan two weeks hence. He doesn't know what's in store for him."

Montherate Oct. 21.—Justice Chauvin decided to-day that while it is illegal to transport liquor without a license within the Province of Quebe; it is not illegal, so far as Canada is concerned, to carry it over the border into the United States. Accordingly he ordered George Nolin to pay David Weston for carrying a quantity of liquor from Montreal to Albany.

Nolin previously had refused to pay the carrying charges on the ground it was for an illegal act and could not be collected.

UNTERMYER FOR 7 P. C. RENT MAXIMUM RETURN Believes Even That Is Excessive in Many Cases.

In arguing a case before Judge Learned Hand in the United States District Court yesterday Samuel Untermyer, counsel for the Lockwood Legislative Investigating Committee, declared 7 per cent on the valuation of a property is sufficient return to a landlord. In many cases, he said, even that return was excessive, and he contended that 7 per cent should be the maximum for landlords to receive.

Mr. Untermyer appeared against the confirming of special master's report on rents of the apartment house at 1053 Southern Boulevard. The Broax, which the special master held were reasonable.
